

HER.

hospice empowerment resources

Join us for a supportive and engaging event created for women who are looking for trusted guidance and resources for managing their homes and everyday decisions.

The H.E.R. Hospice Empowerment Resources brings together a trusted group of women-friendly professionals ready to share practical advice on home services, organization and moving, legal matters, vehicle buying and maintenance, jewelry and valuables, painting, heating and air conditioning, and more.

This is a comfortable, judgment-free space where women can ask questions, gain knowledge, and connect with experts who understand their needs.

**Wednesday,
March 18, 2026
5:30 - 7:30 p.m.**

Angela Hospice, Livonia

**RSVP is
appreciated but
not required**
